“ To share just one memory of Rose would be impossible because I recall so many. I so remember my brother Toby bringing her to our home as his girlfriend. I was only 9 but that always stands out in my mind. They married and along came Rick and my Mom and Dad were elated w/joy...their first grandchild. Then a few years later came Debbie and we all thought their family was complete....oops, several years later came Gregg! Toby/Rose both said he was given to them to keep them young at heart...they both adored all 3 of their children. So many family gatherings at the Fire Hall where I so enjoyed watching Toby and Rose dance, so warmed my heart. And both my kids always so looked forward to Aunt Rose's famous nut rolls/lady locks at Christmas...none like them!! And to be part of their July 4th family picnics...priceless. Memories myself and my 2 kids will cherish forever..... thanks Rose for adding so much to our lives!!

“ she was the best sister in law anyone could ask for, I love her so much and she will always be in my thoughts, she was so close to her brother Steve and I , it is going to be so hard to get used to being with out her, but we will remember all the good thing she had told us, and will always remember them, We didn't want to see her go , but we didn't want to see her suffer, she is at peace now, She is with Toby now and will always be in our heart, will never forget her beautiful smile and loving laugh . she knew how much we loved her, and she will take that with her, Linda and brother steve
