Samantha Sue where do i start God knows how much i am going to miss you you lived with me so much you was like a Sister to me and i love your kids like they was my own we had a lots of laughs together remember when you got that play station you played it for hours how we broke down in Uniontown lol and you almost wrecked into a state cop you got so nervous you smashed your fingers in the car door and set yourself on fire and Belinda and Krissy laughed so hard at you and than i gave my life to God and we went different way but not a day went by that i didn't think about you And my heart breaks that the Lord wanted you back and i will see you again someday when the Lord calls me home.Until than Rest in Heaven. Love and will sorley miss you,
