“ *Tara and Family,

I am so sorry for your loss! I have so many wonderful memories of
your mom, as she was my 2nd mom for so many years. I loved how
she would always wait with us (at your house) for the bus in the
morning. She was always very kind to me! I loved her (and your
Dad's) hugs! Please know she is with your dad now. She will be
waiting for you at Heaven's Gates when it is your time to go home!
Rest in Peach, Momma Wood!*

*Love you, dear friend!
