

Shannon M. Bierer

March 1, 1980 - February 6, 2023

Shannon M. Bierer, 42, of Dilliner, Pa., passed away at her home Monday, February 6, 2023, following a courageous battle with cancer. Born in Waynesburg on March 1, 1980, she was a daughter of Paul and Becky Bierer, of Dilliner.

A 1998 graduate of Morgantown High School, she had most recently been employed at Gabe's Stores in the warehousing department. Shannon enjoyed live music, and spending time outdoors camping and hiking. She was the ultimate free spirit who truly now has been set free from the pain and trials of her illness.

Surviving, in addition to her loving parents, is her brother, Owen Bierer, his wife Daisay, and their children, Ryker and Lyla. Also, her dear friend, traveling companion, and former classmate, Andy Feagans.

She was preceded in death by an infant sister, Sarah, in August of 1993.

Honoring her wishes, there will be no public services. The family is planning a Celebration of her Life with Rev. French Jenkins to be held later in the month. Arrangements are in the care of the Richard R. Herod Funeral Home, Point Marion.

My dear, sweet, friend Shannon! May you pure, creative, and loving spirit rest in peace forever and ever!

I am absolutely devastated to learn of Shannon's passing, especially at the young age of 42!

She had been in my thoughts recently but it had been years since we had been in touch. While researching her online yesterday I came across this-her obituary.

Shannon & I met at work (Chi-Chi's) back in the early 2000's and we quickly became close friends. We were both in our early 20's at the time. As the years past, we slowly grew apart but we did manage to reconnect a few times.

The last time we were together is a day that will forever be sketched in my memory. It was a day in Dec., I'm not sure of the exact date but I vividly remember many other details.

At the time, she had been living in WV & I was in PA. We decided to meet up half way.

It was a beautiful sunny day in December. A record breaking kind of day. We walked a trail together and just talked about life's ups & downs.

The last email she sent me was on Feb. 27th 2016 @ 11:03 AM. I had married the year prior, started a new job, and regrettably had never replied, until now.

Sending my deepest condolences to her family...

“ *Paul, Becky, Owen, Daisy --*

Shannon was such a special person, inside and out. She always had a bright light for everyone who were fortunate to know her. We will all miss that light but Shannon will always linger in our hearts! She was a great Aunt to her cherished niece and nephew -- enjoyed them so much as they loved her as only kids can. May her contagious spirit be with us all -- God Bless you Shannon -- we know you will light up Heaven too!! --

Love -- Carol Lee, Ashlee & Chris.

“ I have loved Shannon since we met. We were a crazy pair who would get into trouble for being too loud and laughing too much. She always made me feel joyful. My prayers and love are with Paul, Becky and Owen.
