“ Mary Lou and Family Please accept my sincerest condolences. Sherd may not be here in body but memories of him will live on forever.

I fondly remember slowly driving up the hill to Headlee Heights a May afternoon on our return trip from one of many shooting matches...the smell of the woods coming to life and flowing through our car elicited this remark: Sherd said "If God created anything better than this, he kept it for himself".

Enjoy your new shooting range where the wind never blows.

Godspeed my Friend!
