My family got to know Stan when our Dad, Rufus Peer, was his roommate for a short time before Dad passed. Stan was still interested in exploring deeper into things, so when he learned Dad had been a Minister, it gave them a chance to explore Faith, God, & Universe, hopefully benefitting them both. Stan's smile and jokes bespoke his quick wit! I met his daughter and son, at least through Stan's phone, and it was good of them to regularly check in on him. Their connectedness to family & community, & desire to live uprightly, speak well of Grace & Stan's raising of them. Thanks for sharing him with us! May our God hold you close in your time of sorrow. Cyndi & Douglas, know you are in our prayers.
