“ *I have a ton of memories with Steve and the family....after all I pretty much lived there my pre-teen and teenage years. I will be forever thankful for our Sunday dinners, beach trips, and our crazy moments at the house. I will always think of Steve when I talk about the beach...he and his family took me on my first beach trip and he always made me feel like one of his own. Thank you Steve and all of the family for being my second family and a part of my life. Love you all.*
