“*Uncle Bib will always have a special place in my heart. I will never forget as a little girl going for a ride on his motorcycle, when he taught me how to drive a stick shift car, and his stories about his trips to Vegas with Aunt Phylis. His jokes always made us laugh. There will never be anyone quite like "Uncle Bib" that's for sure! We loved him and will miss seeing his smile. I hope that one day when its' my time to go to heaven, he will be there waiting at the gate to greet me. I am positive that he will have some good stories to share when we meet again!*

Uncle Bib will always have a special place in my heart too! He was not only my Uncle, but a dad, and a very close friend to me. So many memories of him living with us when I was a child. He would always gave me the biggest hugs and tell me funny stories. As an Adult Uncle Bib lived with me for a few years. Everyone loved him. So easy going and always smiling. So glad that my sisters and I had many wonderful years with the best Uncle ever!! I love you so much Uncle Bib, and will miss you. I know you will be waiting for me at the gates of Heaven when it is my time to go!!
