“ *My sincere sympathy to Bills family. I'll miss Bill stopping in my shop, he always had a new joke to tell and we would talk about many things. He had a good hart and would help others if he could. Almost every time we rode he would ride a different bike. His wit and generosity will be missed.*

“ *Deepest sympathy to "Uncle" Bills family & friends. He always had a story or joke to make you smile when you saw him. I used to invite him over to our house for the holidays & my dad, who has passed, always got a chuckle with his stories. We shared many trips to various motorcycle events and his knowledge of motorcycles was amazing. I'm sure he's riding his favorite bike on that eternal highway. God bless him!*

“ My sincere sympathy to Bills family and friends. I worked with Bill when he worked for my Dad at Tewell Motors. Remembering how he went with us in the motor home we had back then to Cleveland Ohio to see John Denver and Starland Vocal Band.
